RAMAMOORTHY KARUPPAN

Raamamoorthy@gmail.com +91 9789100750 Madurai, India 625014

SKILLS

Survey Programming | Q Research | Data Handling | OpenAI GPT | Google Gemini API | SPSS Syntax Automation | AI Open-End Coding | Python | IBM Dimensions | PostgreSQL | SPSS | React.js | REST APIs | Excel VBA | Django | JavaScript | Claude API | Power BI | XEBO | SurveyToGO | Forsta | AI Agents | Qualtrics

PROFESSIONAL SUMMARY

Head of Data Operations with 14+ years of experience, blending strong team leadership with hands-on development. My core expertise lies in Market Research Data Processing and Survey Programming. I bring a unique combination of leading data analytics teams while actively building AI-powered automation solutions. Skilled in integrating LLMs (Gemini, Claude, GPT) into production-grade applications using React, Django, and PostgreSQL.

AWARDS & RECOGNITION

Solution Impact Award - 4Sight Global Research & Analytics DMCC (2025)

Best Performer - 4Sight Global Research & Analytics DMCC (2018)

WORK EXPERIENCE

Head of Data Operations
Mar 2024 - Present

Jedhru Informatics Private Limited

Lead and manage a team of 10+ data analysts and developers. Oversee end-to-end project delivery for multiple concurrent survey research projects.
Establish data quality standards and SOPs achieving 99%+ accuracy. Developed AI-powered open-end coding system using LLMs, reducing manual coding by 85%.
Built automated SPSS syntax generator for data cleaning, recoding, and crosstabs.

Data Head
Jan 2022 - Feb 2024

Altmeta Knowledge Services Private Limited

Led technical strategy for data processing and analytics operations. Implemented Python automation reducing operational costs by 40%.
Led GTI (Global Travel Intention) project across 40+ countries with 25+ language overlays. Managed cross-functional teams delivering solutions for global clients. Designed data quality frameworks achieving 99%+ accuracy. Developed Project Management System using React + Django + PostgreSQL.

Data Processing Manager
Nov 2016 - Dec 2021

Altmeta Knowledge Services Private Limited

Scripted surveys on Qualtrics, Forsta, SurveyTogo, XEBO platforms. Developed automation tools using Excel VBA and Python. Wrote SPSS syntax for data cleaning, transformation, and report generation.

Analytics Manager
Sep 2011 - Aug 2015

Abacus Market Analytics (IMRB International)

Engaged in data cleansing, computation, and the creation of high-quality tables using SPSS, ensuring timely deliverables.
Developed a FOXPRO data entry program and created Excel VBA macros to automate workflows.

EDUCATION

M.C.A.
Sri Ramakrishna Engineering College, Coimbatore
2010
Completed my Master of Computer Applications with 7.5 CGPA

B.Sc. Physics
Thiyagarajar College, Madurai
2007
Completed my B.Sc physics with 60.31%
